OLG limits the total amount payable for prizes per draw to $2 million. Should the aggregate of the prizes available to be won by all winning tickets for the draw exceed $2 million, then the prize amounts are reduced and are determined in proportion to the amount that would, except for this provision, otherwise have been won on the draw.

The $2 million total prize payout limit can be reached when wagering limits for the winning 4-digit PICK-4 number and all of the possible Box Play combinations of that number have been reached for that draw.

OLG will suspend Straight Play and Box Play PICK-4 wagering for any 4-digit number that has exceeded a total potential prize liability of $1 million for any given draw. Wagering will continue to be available for all other Box Play combinations of the suspended number, provided said numbers have not individually exceeded the $1 million total liability limit for Box Play and Straight Play.

Unclaimed prizes from Ontario-only Lotto, Sports and Instant Games are directed to profits paid to the provincial government to benefit the people of Ontario.
